

Nursery Newsletter

30th September 2021

This week we have been learning about our feelings. We introduced our Zones of Regulation board and the children started to recognise and talk about the different feelings they experience throughout the day.

In Mini-Woodies the children enjoyed picking up leaves and other natural resources to create leaf animals.

Red Acorns

During chatterbox time the children looked at photos representing different feelings such as happy, sad, worried or excited and enjoyed making faces to represent different feelings. During our Nursery Rhyme time the children enjoyed singing 'If you're happy and you know it' as well as other familiar songs and rhymes.

Blue Acorns

This week the children listened to the story 'The Colour Monster' and we identified different colours to different feelings matching our Zones of Regulation board. Happy – green; Excited – yellow; Sad – blue; Angry – red.

During phonics we focused on developing our vocabulary through songs and action rhymes. The children had to listen carefully to the new words and remembering what words were added in the rhymes.

In maths the children began to count with 1:1 correspondence through practical number games. They enjoyed counting socks, pieces of fruit and postcards. We kept practising our number chant to 5 to support learning about numbers.

This week's Makaton sign is:

Good afternoon

This week's song:

If you're happy and you Know
