## WELCOME BACK!

With (we hope!) the end of COVID in sight, we are looking to bring back some of the wonderful social and fundraising events/initiatives that ensure our children have plenty of opportunities and equipment to enhance their education and create a positive, inclusive school community:

For each event, we need somebody to LEAD, as well as a GROUP of volunteers. Otherwise, these events WILL NOT HAPPEN! Teamwork makes the dream work! We will pass on details about what needs to be done for each event, so please don't worry if you are new to the game. We are grateful for any time you can spare – even if it's only 30 minutes a year. Typical tasks for each event are given below.

Please email [claygateprimaryschoolPA@gmail.com](mailto:claygateprimaryschoolPA@gmail.com) if you would like to lead or help out with an event. Thank you and WELCOME to those who have already been in touch!

## Great progress on our pool!

If you pop into the top playground, you will be excited to see how fantastically our pool project is progressing. The construction team have been onsite since august and are on schedule to deliver our pool for early spring 2022. The initial site clearance has taken place and the contractors are delighted that original structure of the pool is in excellent condition.

Thank you to everyone who voted for this project for the Your Fund Surrey. We are still waiting to hear the outcome of our application and will share further news when we have it.

## The project team needs you!

We are looking for volunteers to submit funding applications specifically to help fund the landscaping and fit out of the building. If anyone is interested & has a couple of hours please email [claygatecommunitypool@gmail.com](mailto:claygatecommunitypool@gmail.com).

We are delighted to be partnering with local artist Laila Curruthers. Laila has designed a beautiful community tile wall that your family & local business can be part of! Watch this space for more details!
